

# Contract Design & Execution Engine

Anselm, Christian, Daniel, Jennifer & Zoe

# The Problem

**Companies spend too much time keeping track of contracts and resulting obligations!**

# Why it's awesome!

Transparency

Tamper-proof

Agility

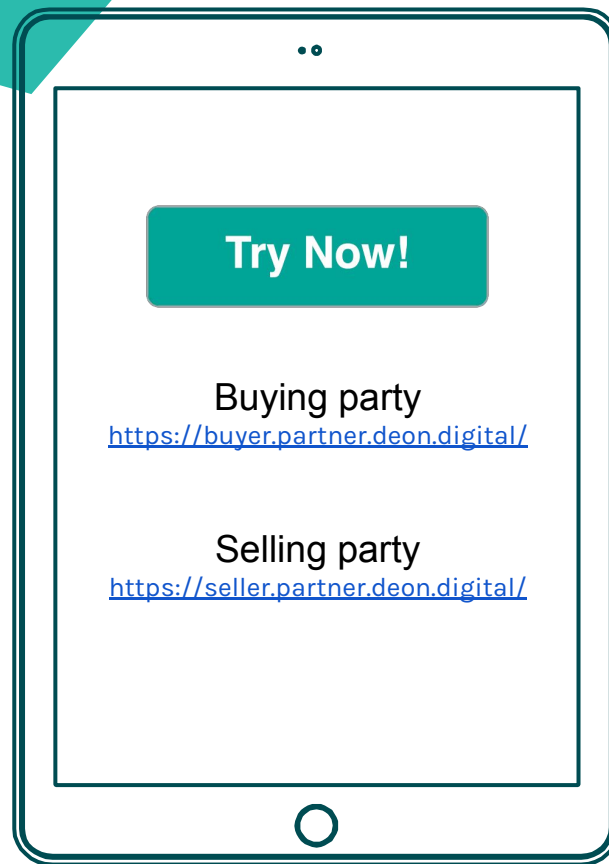

Audit trail

Disinter-  
mediation

Reminders

# Thanks!

Happy to answer your  
questions!

# Product Feature Comparison

Feature	All existing solutions	CDEE
Contract design	✓ Upload / Create text file	✓ Easy to define templates
Contract execution	✗ No contract execution	✓ Fully automatisable with visual execution
Contract management	✓ Static reminders	✓ Dynamic action reminder
Contract archiving	✓ Store PDF	✓ Store entire contract history
Sharing contracts	✓ Via Email	✓ Via a distributed database
“Smart contracts”	✗ A coded program	✓ Deon Digital contract engine
Confidentiality	✗ No	✓ Only with contract parties

# Contract Flow
